FOR IMMEDIATE RELEASE

City & County Government Offices to Reopen May 26th

GREENWOOD, SC— Effective, Tuesday, May 26, 2020, the City of Greenwood and County of Greenwood will reopen all buildings to public access. Services and access will be modified to continue to protect citizens from the spread of COVID-19. We recognize that the services offered in both the city and county buildings are essential to our community, and we will continue to follow the directives from the Governor and amend these procedures as needed. The City and County’s websites and social media accounts will be updated with the latest information and adjustments.

As we reopen, please look for signs and directions that have been put into place in our offices. We will be abiding by the CDC and SCDHEC recommendations. The City and County governments would like encourage citizens to utilize phones, email and online service opportunities as much as possible.

For more information on City or County policies and procedures related to COVID-19, please contact City Manager Julie Wilkie’s office at 864.942.8412 or County Manager, Toby Chappell’s office at 864.942.8501.
