

Mythic Creatures

June 6-10 (9am-5pm) Ages 6-12

The Arts Center and The Museum are combining efforts to provide our campers with an opportunity to learn all about mythic creatures such as dragons, unicorns, mermaids, and MORE in this new joint Summer Camp between The Museum and The Arts Center. Each morning, campers will learn the history and traditions associated with various creatures at The Museum, and every afternoon campers will participate in mythic creature art projects at The Arts Center!

(Registration through The Museum)
