Bethel Trails Farm was established in 1999, but our Honea Path division began just a couple years ago. On your tour, you will see, a flock of about 150 laying hens, a flock of 60 laying ducks, ducks raised for meat, over 1500 broiler chickens, a small flock of sheep, and Luna, the guardian dog who keeps the animals safe. Learn how they use each of these species to work and manage the land, playing off each others' strengths. Purchase chicken, eggs, and pork to transform into a delicious meal for your family.
