# Belmont Farm

Khatadin Sheep, Dairy Goats, Ducks, Honey Bees

Charles and DeAnn Barrett

5851 Cross Keys Hwy, Enoree SC 29335

704-674-8107      belmontfarmsc@yahoo.com

<https://belmontfarmsc.com>

[Facebook.com/Belmont-Farm-595841040894760/](https://www.facebook.com/Belmont-Farm-595841040894760/); Instagram @mercyandgracesoapco

Farm Tour @ 1:15 and 4:30 See sheep, lambs, baby goats and Solomon our miniature Zebu bull! We will discuss the care and purpose of each breed on the farm. Introduction to bees with an empty hive set up to examine hands on. Raised bed vegetable garden will be toured as well, showing how easy it is for a family to provide all of their own fresh vegetables almost year round! Learn the history behind the farm and how it was named after a plantation built here in 1790 by Judge John Grimke, a leader in the Revolutionary War, lawmaker and father of the "Grimke Sisters" Sarah and Angelina.

Milking Demonstration @ 3 p.m. and 5:15 Visitors will meet Clove, our Alpine dairy goat, and have a chance to see how a goat is milked by hand as well as using a battery operated pump. Discussion on the uses of goat milk and how it differs from cows milk. Visit Belmont Bake Shoppe onsite for fresh baked goods.

Shop Mercy and Grace Soap Company, A non-profit business started here at the farm to support faith based womens shelters. We offer hand crafted goat milk soaps, lotions, bath teas and sugar scrubs!

Fresh produce and free range eggs will be available from accompanying farms in our area!

# The Happy Berry

Small Fruits, Blackberries

Walker Miller and Family

510 Gap Hill Rd, Six Mile, SC 29682

864-350-9345 contactus@thehappyberry.com

www.thehappyberry.com

Facebook.com/TheHappyBerry; Instagram @the\_happy\_berry

The Happy Berry is a small (about 22+acres) diversified fruit farm on the east side of Lake Keowee since 1979. Fruiting seasons include: blackberries(6/9), blueberries(6/15), seedless table grapes(7/20), figs(8/1), muscadines(8/15) and seedless persimmons(9/20). Future crops will include dwarf black mulberries, tea, seedless muscadines, European hybrid chestnuts. The farm prides itself on a positive carbon footprint and being sustainable. The One-hour tour will discuss local history of agriculture, sustainability and "how-to" information. All participant questions will be answered.
